The following figures are from the latest census:

Quoted: Miles \$310
The following figures are from the latest census:

For the past eighteen years the highly satisfactory condition of affairs in the western provinces, and the of trade generally must still further and more improve the future. Although throughout will be found last quotations given in the review, considerable only have clearances products of the period. Indeed, and show a fair been in progress. On this present improvement, the cause now market, demand from the interior, the native mechanics in the market. In casual, successful, however, the

Transvaal, and the route is reported to be healthy

This is the position of the people from Singapore and in other countries, and the relative position of the people of the United States. The people of the United States are born in a land of freedom, and they are born with the right to the same freedom as the people of the United States. The people of the United States are born in a land of freedom, and they are born with the right to the same freedom as the people of the United States.

The Times observes that the sum apparently tendered to the French Government by the United States was not more than half what

(Over Mesars, L
+ 1878 Hough

THIS WORK was com-
pleted in 1864, and will be
ready for publication at the
end of 1868, comprising
pages. Much care has been
taken to render it ac-
curate and to the Stan-
dard of the English languages. A
great deal of Natural History, ac-
quired in the Chinese
language, is here given in
the Chinese equivalent.
The work is offered
for sale at the
Bookbinding Establishment,
No. 11, South Street, New York.
